

# Production Operator MR & Weaving

Position: Production Operator Mr& Weaving

Employment: [100%]

Company: Bcomp Ltd., Fribourg, Switzerland

Starting date: ASAP

## POSITION OVERVIEW

Bcomp Ltd. is a young and dynamic Swiss company specialised in the development, marketing and sales of natural fibre composite solutions for high performance applications. With a background in the sports industry, we are now focusing on establishing ourselves in the mobility market. We develop sustainable lightweighting solutions based on natural fibres in close collaboration with our customers, in a fast-paced and entrepreneurial working environment.

To strengthen its Operations team we are looking for a production operator who will be working on different machines but mainly on our weaving machine.

## MAIN TASKS AND RESPONSIBILITIES

### Key Responsibilities

- Independently operate a textile sampling line (warping, warp preparation, weaving).
- Adjust machine settings during production (pre-defined by the R&D department) to achieve the expected product quality.
- Perform quality checks on both large production batches and samples.
- Produce and properly document completed production runs.
- Analyse the root causes of breakdowns or unplanned stoppages and report identified issues.
- Strictly apply the 5S methodology (workstation organization and cleanliness) and ensure regular cleaning of production lines.
- Manage production scrap and waste.
- Strictly comply with all safety regulations.
- Actively contribute to the continuous improvement of production lines in collaboration with the entire team.

## QUALIFICATIONS AND PERSONAL QUALITIES:

### Profile

- 1 to 3 years of experience in an industrial textile environment, ideally in weaving.
- Fluent in French (English and German are considered an asset).
- Swiss vocational qualification (CFC) as an automated production line operator and/or textile technologist (Production option).
- Strong computer skills (Excel, Word, PowerPoint, Outlook, Teams).

### Required Skills & Qualities

- Accurate color perception.
- Creativity and imagination.
- Manual dexterity.
- Precision and attention to detail.
- Technical and artistic sensitivity.
- Ability to take initiative and work independently.
- Willingness to learn.
- Positive mindset, energy, and a “can-do” attitude.

### What We Offer

- Continuous learning opportunities through the Bcomp Academy, including access to internal certifications.
- Factory and offices ideally located near Fribourg train station.
- 5 weeks of paid vacation.
- Weekday working hours only (no weekend work).

## ABOUT US

At Bcomp, we are a dynamic and international team working in a fast-paced and entrepreneurial environment. We value ownership, collaboration, and continuous improvement across all our activities.
