

# Fashion Design & Product Development Assistant

60–80% · Zurich · 6–12 Months

Learn how to build, develop and manage an independent fashion brand in Switzerland. Work directly with designer and founder Javier Alsamendi and become his right hand.

## ABOUT ALSAMENDI

Alsamendi is an independent fashion label with atelier and boutique in Zurich. Since 2008 we have been designing and producing high-quality women's and men's wear, combining local craftsmanship, timeless design and personal customer service.

## YOUR RESPONSIBILITIES

- Collection development
- Product development
- Prototype creation
- Pattern making and fittings
- Sewing prototypes and small productions
- Production planning and follow-up
- Quality control
- Communication with external ateliers
- Fashion fairs and events in Switzerland
- Marketing, webshop and boutique support

## YOU BRING

- Fashion Design studies or degree
- Strong sewing skills
- Technical understanding of garments
- Passion for craftsmanship
- Independent working style
- Creativity and initiative
- German and/or English

## WHAT YOU WILL LEARN

Design, product development, production management, sales, marketing and the complete operation of an independent fashion brand.
